

2013 Volunteer Opportunities for the West Alabama State Fair

Help individuals with disabilities
live a life without limits

Gate Admissions (Everyday, August 20-25)

These volunteers will handle the money and admissions tickets into the fair. They will be responsible for correctly counting money/change for the ticket booth and taking up tickets at the entrance gate. (4-6 people per shift each day [shifts vary daily depending on fair hours])

Cheer Competition (Thursday, August 22)

These volunteers will help direct the cheer teams to their appropriate places and will be responsible for assisting with the music. (2 volunteers for a 3 hour shift)

Vendor and Sponsor Check-In (Everyday, August 20-25)

These volunteers will be responsible for vendor/sponsor check-in. To ensure a positive experience for all of our vendors/sponsors, we want to ensure that each participant is a legitimate vendor/sponsor. (2 volunteers for 2 hour shifts prior to the start of the fair each day)

Canned Food Drive (Wednesday, August 21)

UCPWA will hold a canned food drive for the West Alabama Food Bank on Wednesday, August 21. We are encouraging each school to participate by offering a prize for the top elementary, middle and high school that brings the most canned goods during the drive. (3 volunteers per shift [2 shifts] to keep up with how many canned goods each school brings)

****If you or your company are interested in becoming volunteers, sign-up is available online (information will be provided by Erin Treadwell) or by calling Erin at 205-657-8580. We would love to have your company become involved with UCP of West Alabama in any way that you can. We hope to hear from you soon!**
